Medical Emergencies

In the event of an emergency, the grooming staff will make every effort to contact the owner immediately. However, if the owner or the emergency contact cannot be reached, the groomer is authorized to seek medical care from a licensed veterinarian. The owner agrees to pay all costs and veterinary fees incurred during any such emergency.

Matted Coats and Dematting

Removing heavy matting can be painful, stressful, and hazardous for pets. It can cause skin irritation, nicks, cuts, and brush burns. The groomer will assess the coat and may recommend shaving the pet if the matting is severe. The owner understands these risks and releases the groomer from liability for injuries resulting from the removal of matted fur.

Behavioral Policies

The owner must inform the groomer if the pet has a history of biting or showing aggression. The groomer reserves the right to use humane handling tools (such as muzzles) for safety. If a pet becomes too aggressive or stressed, the grooming session may be stopped immediately, and the owner will be responsible for the cost of the work completed up to that point.

Fleas and Ticks

If fleas or ticks are found on the pet, they will be treated immediately with a flea/tick bath at the owner's expense to prevent contamination of the

facility and other pets.

Cancellation and No-Show Policy

The owner agrees to provide at least 24 hours notice for any appointment cancellations. Late cancellations or missed appointments may be subject to a fee.

4. Liability Waiver and Release

By signing below, I acknowledge that grooming can occasionally be stressful or cause minor skin reactions. I release this grooming facility, its staff, and its affiliates from any liability concerning injuries, illness, or death of my pet resulting from any pre-existing medical conditions, age-related issues, or behaviors, as well as any accidents that may occur during the grooming process, provided the facility has exercised reasonable care.
