

Photo Identification Verification Checklist

To be completed by the verifier. Please print this form and manually check the boxes, then fill in the text fields below.

Verification Checkpoints

- Photo on the ID matches the physical appearance of the presenter.
- The identification document is current and has not expired.
- The full name on the ID matches the name on the application/record.
- The date of birth on the ID confirms the presenter meets age requirements.
- The document appears genuine, with no signs of tampering or alteration.
