## Code of Conduct

As a volunteer, I agree to abide by the following guidelines:

- I will treat all fellow volunteers, visitors, and coordinators with respect, kindness, and cooperation.
- I will follow instructions provided by the garden coordinators and seek guidance if I am unsure how to perform a task.
- I will use tools and equipment safely and return them cleaned to their proper storage areas.
- I will respect the garden property, only harvesting crops from designated communal areas or as directed by coordinators.
- I will help keep the garden clean by properly disposing of trash, weeds, and organic waste in designated compost areas.
- I will not use synthetic pesticides, herbicides, or fertilizers, as this is an organic community garden.
- I will respect scheduled garden hours and quiet hours for neighboring properties.
- I will supervise any children or guests I bring to the garden at all times.

## Liability Waiver & Release

I understand that volunteering in a community garden involves physical activity and the use of hand tools, which carries inherent risks of injury. I voluntarily assume all risks associated with my participation. I release and hold harmless the Community Garden organization, its organizers, volunteers, and property owners from any liability, claims, or demands arising out of injury, loss, or damage that may occur during my volunteer activities.
