

Software and App User Satisfaction Form

Please fill out this evaluation form to help us improve our software and applications. Since this is a printable form, please write your answers clearly in the spaces provided.

1. General Information

User Name:

Email Address:

Software/App Name:

Version (if known):

Date of Evaluation:

2. Performance and Usability Ratings

Please rate the following aspects on a scale of 1 to 5 (1 = Very Dissatisfied, 5 = Very Satisfied):

Ease of Use (How intuitive is the interface?):

Features and Functionality (Does it have the tools you need?):

Performance and Speed (Does it load and respond quickly?):

Stability and Reliability (Does it run without crashing?):

Visual Design and Layout (Is it visually appealing?):

Customer Support and Documentation (Helpfulness of resources):

3. Overall Experience

Overall, how satisfied are you with this software/app? (1 to 5):

Would you recommend this software/app to others? (Yes / No):

4. Feedback and Comments

What feature or aspect of the software do you find most useful?

What is the single most important improvement we could make?

Additional comments or feedback:
